We only had 3 property crimes reported yesterday in the Foothills Area Command. Both of yesterday's residential burglaries showed that entry was unforced. It is of the utmost importance to secure your homes – that means locking doors and windows and keeping garage doors closed and secured. Check those side gates that lead to your back yard – are they easy to open or scale? Do your windows have secondary locking devices that allow a breeze and prevent a burglar from jiggling the window out of the tracks?
